

CETKA  
**DIAMOND  
STONE**  
LUXURY STONES AND BRICKS  
& FIBER PANEL SYSTEMS

CETKA was founded by Emrah Kansuk in Ankara - Turkiye in 2007. Diamond Stone, Diamond Panel, Stonehenge Veneer are our subbrands.

CETKA team start off with the mission to create more beautiful living spaces than your dreams by implementing the most authentic designs with the latest technology at our 4000 square meter factory. We are conducting this mission through sustainable production.

Our vision is to be a brand of choice around the world with our quality and innovative products and to become a leading brand in the industry. In this process, CETKA, which closely follows the currents and latest technology around the world, offers the best quality products to you with minimal environmental damage.

We serve to our valuable customers with a total of 52 showrooms around the world. Our products, which we have successfully exported to 27 countries for 18 years, have all necessary certificates from international organizations to prove our quality.

Sincerely  
 Emrah Kansuk  
 Founding Executive
