

Yapı - Turkeybuild Istanbul is the Premier Meeting Point for the Construction Industry in 2025!

Yapı – Turkeybuild Istanbul, one of the five largest construction exhibitions in the world and the strongest cooperation platform in the region, which plays a major role in establishing new collaborations, was attended by **437 exhibitors** and **765 brands** from **19 countries**. Over four days, it hosted **408 VIP Hosted Buyers** from **62 countries**. In total, **Yapı – Turkeybuild Istanbul** welcomed **43,592 visitors** from **126 countries**.

Yapı – Turkeybuild Istanbul, which attracts buyers from the Middle East, Central Asia, and North Africa in addition to those from Türkiye, hosted **43,592 visitors**, **5,487 of which are foreign visitors** from **126 countries** in Istanbul. **Yapı – Turkeybuild Istanbul**, which is among the world's largest construction, construction material, and technology exhibitions, hosted **437 exhibitors** and **765 brands**. The exhibition drew significant attention, recording a **24% increase** in visitor density compared to last year.

Yapı – Turkeybuild Istanbul, which brought representatives of the global construction and building sector to Istanbul between April 16-19, took place with a busy schedule from its first day to its last day. **Yapı – Turkeybuild Istanbul**, where discussions on trends in the construction sector took place alongside exhibitions showcasing the latest construction technologies, acted as an ideal platform for sector specialists to exchange current information, in addition to the unique export opportunities it provides to its exhibitors.

Emphasizing that the exhibition served as a key meeting point for the sector—drawing strong interest from both procurement professionals and exhibitors—**Banu Keskin, Director of Yapı - Turkeybuild Istanbul**, stated: *"We are proud to have concluded the 47th Yapı - Turkeybuild Istanbul in a dynamic and productive atmosphere, where we welcomed the leading figures of the construction and architecture industries. We helped shape the future of the sector with a diverse program, from sustainable building materials to digital construction technologies, from innovative business models to international partnerships. In addition to facilitating new*

Engagement at its Stand": Fibrobeton Yapı Elemanları, **"Best Presentation of Sustainable Solutions":** TİS Teknolojik İzolatör, **ICA Group Incentive Award:** ABC Granit / Emek Çelik Kapı.

Special Exhibition Tours with Expert Architects and Yapı Tech Garage for Start-ups

Yapı Master Class, the seventh annual event of Yapı - Turkeybuild Istanbul, provided visitors with an interactive exhibition experience alongside architects. Visitors registered for Yapı Master Class visited exhibitor booths among various product groups within the exhibition venue accompanied by the moderators and engaged in discussions centered around the daily theme.

Visitors had the opportunity to directly contact with the master architects and engineers as the guests of the event as well as taking advantage of their experiences. At **Yapı Tech Garage**, start-ups offering groundbreaking ideas to the sector had the opportunity to exhibit their innovative products.

Bookings Have Already Started for the 2026 Yapı - Turkeybuild Istanbul!

Preparations for the 48th **Yapı - Turkeybuild Istanbul** to take place in 2026 have already begun. As a result of the intense collaboration meetings that took place throughout the 4 days of the exhibition, most of the exhibitors participating in the exhibition from various countries this year have already booked their places for Yapı - Turkeybuild Istanbul, scheduled to take place from April 27th to 30th, 2026.
